Dear Sir:

I have a coin or medal I do not know which, as it has a hole in the top. It is of La Fayette made in 1781.

I inclose an imprint and the inscriptions on it, would like to know if it has any value.

I also have an old book, The Rhetorical Reader of 1835 and the Ladies Almanac for 1856

I would like to know if they have any value

Sincerly

Olive Marceau.

Dear Madam:

Replying to your favour of October 13th, for the most part medals are in very little demand and consequently bring little.

I do not remember having seen your medal of Lafayette; it is probably worth about a dollar, and if you care to dispose of it for that amount, we would purchase same.

Very truly yours,

Curator
